Indoxacarb 0.6 %

Product Overview:

Advion Cockroach gel bait is a high-performing product targeting all prevailing pest species of cockroaches, including German (also gel bait-averse), American, Australian, brown, smoky brown, Oriental, brown-banded and Asian cockroaches. Cockroaches cannot resist its superior combination, and even the toughest populations are quickly controlled.

Key Product Benefits:

- ▶ High-consumption bait features with a non-repellent formulation.
- ▶ Labeled for both indoor and outdoor use.
- ▶ Provides speed and spectrum in a single product, offering superior control.
- ▶ Contains a high-performing bait matrix.
- ▶ Thoroughly controls cockroach infestations.
